Electrical Work & Maintenance

Welcome! Message

- It gives me great pleasure to welcome you to the world of EWM. Here you will find a comprehensive, in-depth review of our company, reflecting the pride 8,000 global employees take in our ongoing growth and current success. It also conveys our sense of mission and vision—to become the preferred leader in electrical and electromechanical construction and equipment.
- From its foundation in 1972, EWM has sought to adapt quickly to customer needs and requirements. Our tradition of ingenuity has driven continuous improvement in the way we operate as well as a relentless quest for customer satisfaction.
- Today, EWM is transforming itself to take advantage of the latest wave of change. We are reshaping our business units to ensure they are equipped to take advantage of emerging trends in growing markets. This transformation aims at making us more agile, cost-efficient, and aligning us ever more closely to the needs and requirements of our customers.
- At EWM, we have always found excitement in challenge. As you browse through this website, you will get a sense of the passion, expertise, reliability, and innovative nature that we bring to our mission.

Managing Director: Hassan Ali Shobokshi

Company Profile

Our History, Mission, About Us.
